About HD Tribe Ltd

Losing someone close to us is a painful and challenging experience. And yet, while we are still coming to terms with the loss, there are certain formalities to be observed and some special arrangements, such as the funeral, to be made.

Our aim at HD Tribe is to make the whole funeral process as simple and as stress-free as possible for you, by offering a complete funeral service, ensured by HD Tribe's long-established reputation for quality, dignity and reliability. We support people throughout the entire funeral process from offering pre-paid funerals and making all the formal arrangements, through to the important details like providing funeral flowers, printed Order of Service, giving suggestions for funeral poetry, organising caterers and stonemasons.

We have a number of chapels of rest for private prayer and to allow friends and relatives to pay their respects. These can be found in Lyndhurst Road, Goring-by-Sea, Sompting, Shoreham, Broadwater, Lancing, Storrington and Rustington. Having two multi-denominational chapels in Broadwater and Shoreham means we can offer funerals when the crematorium and other local chapels are either unavailable or not quite appropriate for the desired funeral. They are equipped

with modern facilities including the ability to stream the service online for relatives who are too far away to attend the funeral.

We have been an independent family run Funeral Directors since 1929, so we know how to ensure your loved ones receive the respect and dignity they deserve. With nine offices covering most of West Sussex, we are ideally positioned to give you an efficient, local and dedicated funeral service. As one of only 34 members in Europe of the National Selected Morticians, we have a proven reputation for providing outstanding quality and service.

Our phones are manned
24 hours a day, 7 days a week.

We hope you enjoy our free puzzle book. It's a great opportunity to test your skill and knowledge and keep mentally active. It's also a lot of fun. HD Tribe's puzzle books are supplied free as part of our ongoing commitment to community service. All the solutions and answers will be published on our website www.hdtribe.co.uk

Playing Sudoku

To solve a Sudoku puzzle, every number from 1 to 9 must appear in:

- Each of the nine vertical columns
- Each of the nine horizontal rows
- Each of the nine 3x3 blocks

Remember no number can occur more than once in any row, column or 3x3 block.

Playing Crosswords

Crosswords are one of the greatest word association puzzles of all time. Our 13x13 crosswords are easy to do in one session or complete over time. Using the clues provided fill in the answers moving left to right and top to bottom. Work with a friend if you want as sometimes two heads are better than one when solving a crossword puzzle. The more puzzles you do, the more familiar you'll be with standard puzzle clues and answers.

Playing Wordsearch

Find all the words listed hidden in the grid of letters. They can be found in straight lines up, down, forwards, backwards or even diagonally.

Playing Code Cracker

Each number represents a different letter of the alphabet. Work out which number stands for which letter to complete the crossword. We've given you three letters to start. All words are from a dictionary and no proper nouns are used. All letters of the alphabet are not always used. When you have cracked the code fill in the answer in the boxes at the bottom.

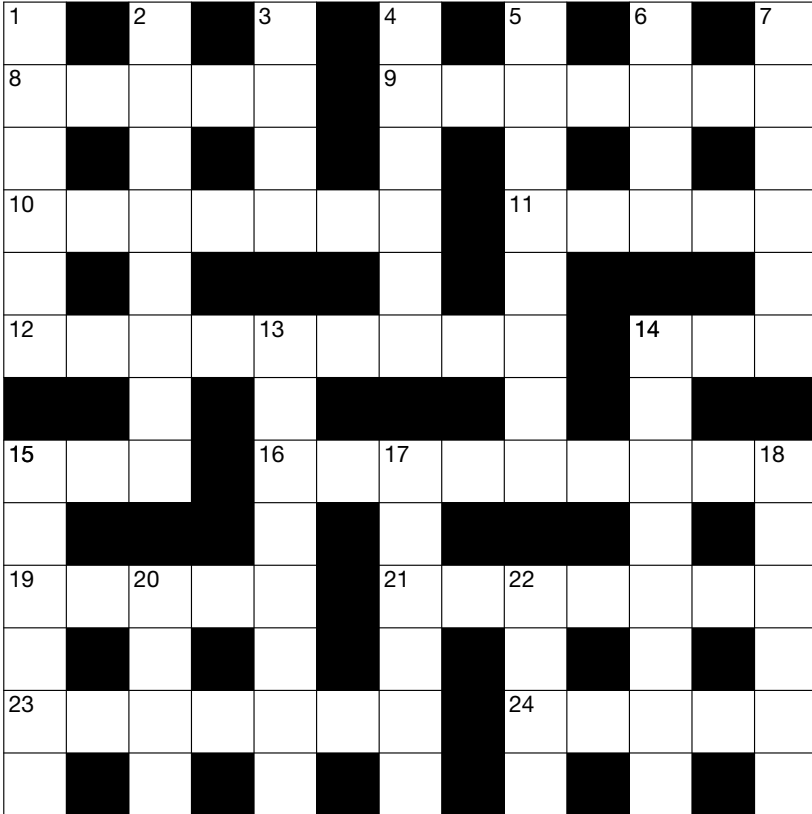

Playing Trivia

Trivia is a great way to test your memory for general knowledge and history. Simply write your answers below the questions and check to see how many you got right. Great to do with friends or on your own.

Colouring for adults

Like painting and craft, colouring offers a great source for focus and creativity. It has been shown to have stress-reducing benefits and helps with anxiety in people of all ages. It is a great social activity that produces a similar effect on the brain to meditation.

Broadwater Chapel

Our Service Chapel is a great source of pride for us at HD Tribe because it offers an alternative funeral venue for when the Crematorium, or other local chapels, are too big, unavailable or simply not right for the funeral service you wish to arrange. Holding a funeral in our Service Chapel is also a convenient alternative to holding it elsewhere because of the facilities we can offer and the way we can care for mourners before, during and after the funeral.

HD Tribe's Chapel offers a unique and calming environment to hold funerals in and seats up to 40 people. There is no time pressure and a funeral can take place within the normal 7-10 days. A state-of-the-art music and lighting system is available and the plasma screen enables a wide range of images to be displayed. Viewing a showreel of old family photographs has already become a favourite in our chapel – a moving and personal tribute.

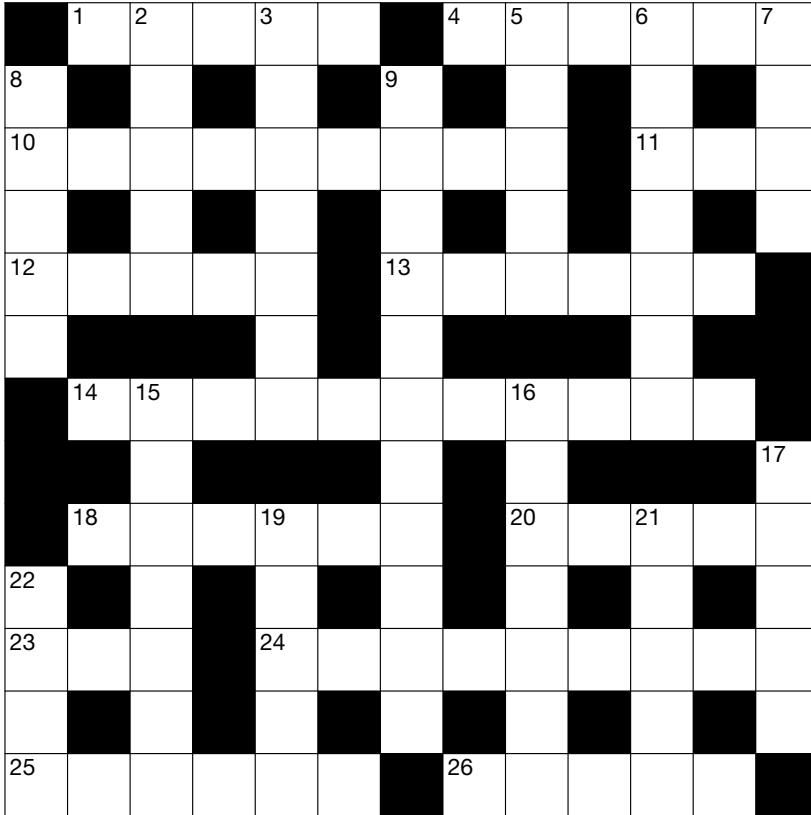

Friends or relatives who are unable to attend the funeral in person can still be part of the chapel service by watching and listening from anywhere in the world via the live web-stream or Zoom.

A function suite inside the premises allows families to adjourn for refreshments immediately after the funeral service, thus keeping everyone together, and HD Tribe's fleet of limousines are available to bring mourners in and take them home afterwards.

By using our Chapel and not one of the local crematoriums, savings of up to £530.00 can be achieved, meaning HD Tribe can now charge less than most of their competitors while still offering their renowned level of care, dignity and professionalism.

Pre-Paid Funeral Plans

Who would have a pre-paid funeral plan?

Maybe a single person with no close next of kin who would consider it a practical way of getting their affairs in order. Perhaps a couple with no immediate family to help the bereaved partner when the time comes. It could be someone with specific ideas about their funeral and a plan ensures those wishes are carried out. The largest group consists of people who just want to be helpful ensuring that family left behind don't have to make any difficult decisions. There is also the financial benefit of a pre-paid plan as funeral costs continue to rise.

We strongly advise that anyone who is considering a pre-paid funeral plan should speak first to one of our qualified funeral directors where our free advice comes without obligation. Funeral plans are regularly

advertised in newspapers, magazines, via mail drops and even on the TV! These plans can frequently restrict your choice of a funeral director and involve unnecessary extra expense. If you deal directly with the funeral director, you can save on third party costs and enjoy peace of mind with regards your plan.

Quite often families contact us to explain that their loved one has taken out a pre-paid plan and they have been allocated a funeral director they are not confident with. In most of these situations we can speak to the provider, take over the plan, and ensure that their loved one can have an HD Tribe funeral.

If you are thinking about taking out a plan, our advice is to always speak to a local qualified funeral director first. Of course, we would prefer you used our services, but even if you didn't we would strongly recommend that you use another local firm, rather than buy it online or from a newspaper.

For free advice without obligation, please call us on **01903 234 516** or email enquiries@hdtribe.co.uk

H D Tribe Victorian Marston horse hearse

H D Tribe are very proud to have our very own Marston horse hearse, dating back from 1899. Originally built in Birmingham, this true example of Victorian magnificence has been associated with our company dating back to the 1960's, when it was purchased from Wilf Page, who at the time was the publican at the Cricketers in Broadwater.

When purchased it was in a sorry state and was totally refurbished using traditional carpentry skills. Even the roof decoration was faithfully restored with everything being repainted by hand. All the glass is original lead crystal and new roof finials were cast using the original ones as templates.

Once fully renovated it was available again for services, and when not going out on funerals, it proudly stood outside our offices in Broadwater for everyone to admire. The only unofficial outing happened one New Years Eve, when it was taken for a ride down Broadwater Road, by some over exuberant revellers. As soon as the police arrived they quickly dispersed and thankfully no damage was done; but ever since whenever on our forecourt, the horse hearse is securely locked to our railings.

More recently we have needed to get one of the rear wheels completely rebuilt. This was carried out by Crawfords in Kent, by Royal Appointment Coach-builders and Wheelwrights to the Queen.

Shoreham Chapel

At HD Tribe, we are very proud of our new Service Chapel in Shoreham which offers an alternative venue for when the Crematorium, or other local chapels, are too big, unavailable or simply not right for the service you wish to arrange.

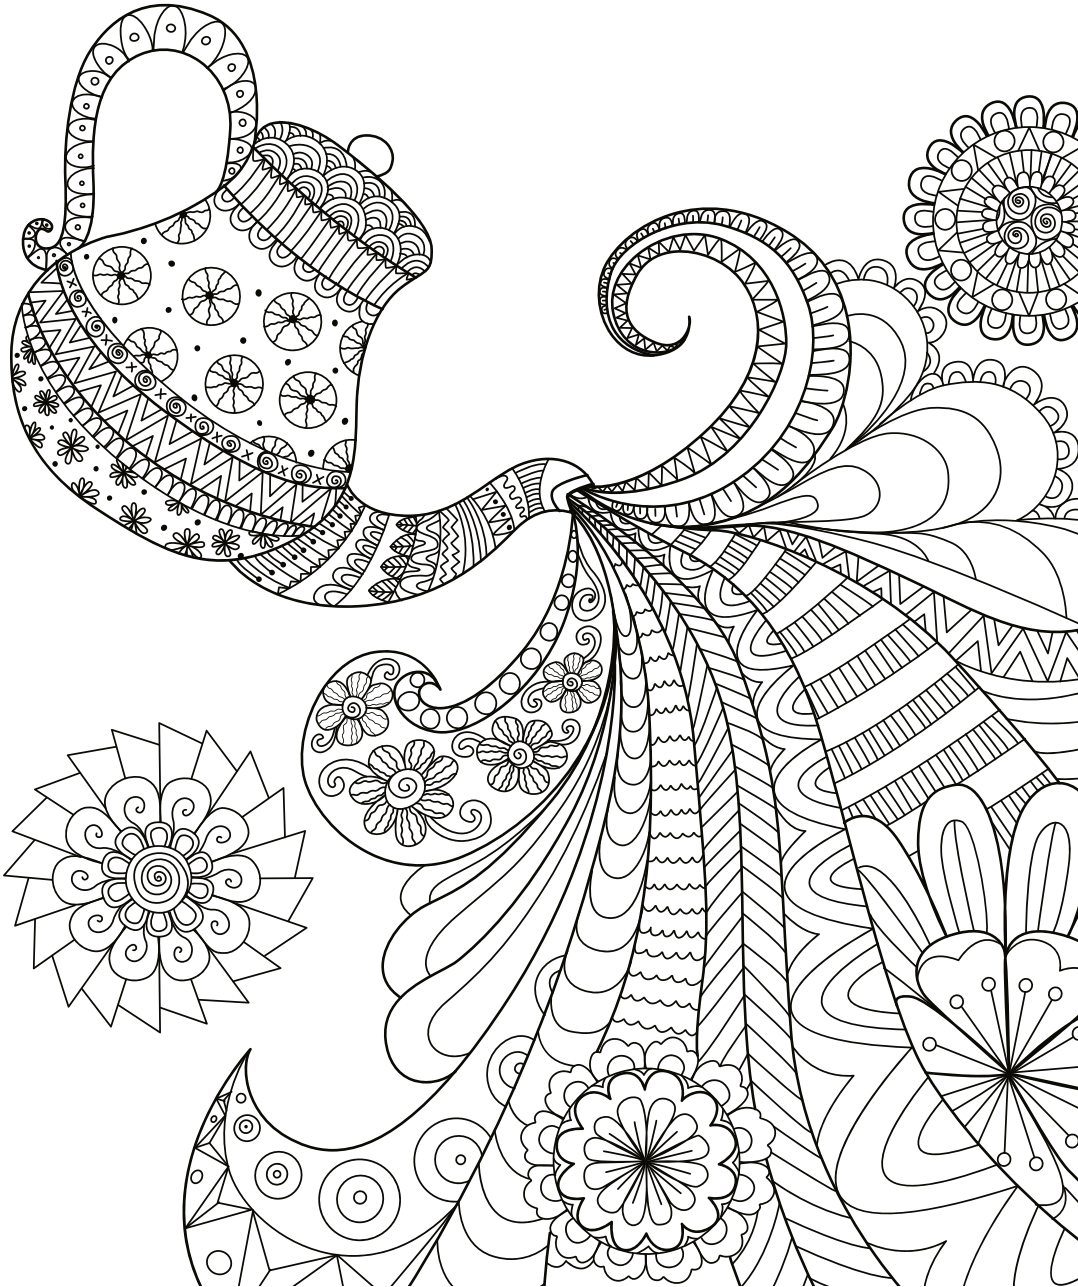

Opened in 2017 the Shoreham Chapel offers a unique and calming environment in which to hold a funeral service while seating up to 80 people. There is no time pressure, and a funeral can take place within the normal 7-10 days. A state-of-the-art music and lighting system is available and the plasma screen enables a wide range of images to be displayed. Viewing a showreel of old family photographs has already become a favourite - a moving and personal tribute.

Friends or relatives who are unable to attend in person can still be part of the service by watching and listening from anywhere in the world via live web-streaming.

The adjoining function suite on site allows families to adjourn for refreshments immediately after the service, thus keeping everyone together.

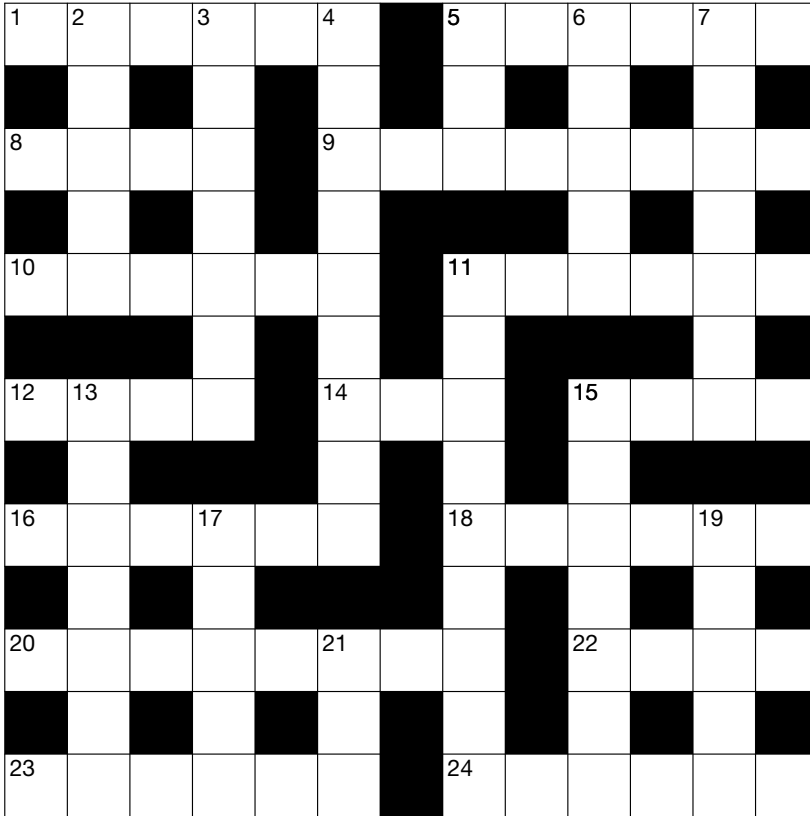

Most families like to make the service their top priority but costs have to be considered. By using our Chapel and not one of the local crematoriums, savings of up to £530.00 can be achieved, meaning HD Tribe can now charge less than most of their competitors while still offering their renowned level of care, dignity and professionalism.

Bereavement Support

HD Tribe Ltd are pleased to announce a new bereavement counselling service.

As funeral directors, we see and understand the challenges that people can face after losing a loved one, and are very proud to be able to offer this new additional support.

We offer six face to face sessions as a free service with our fully qualified and accredited counsellor.

Christine Brownbridge (AD Prof Dip PC) has worked as a qualified Psychotherapeutic Counsellor since 2013, specialising in Bereavement Support and has also been a volunteer for the nationwide charity Cruse Bereavement for four years.
